

PURPOSE

To make the Westside a better place to live and work by:

- Encouraging members to do business with each other on the Westside.
- Improving the public image of business and businesspersons.
- Assisting each other in solving business problems.
- Working to help improve schools, streets and public safety.
- Assisting proposed legislature that abets a good business climate, as well as discouraging harmful legislation.

A FEW MAJOR COMMITTEES

Education: To promote better education of all people in the Westside area; bring to the attention of the Club any school-related problems the Club may assist in solving; recognize outstanding accomplishments of students.

Membership: Organize membership drives to increase the membership of the Club. To help make the public aware of our function and goals. To solicit new members in person or by other means. To work with the President to reach the goals of the membership for the Club.

Programs: Coordinate monthly programs for the Association.

Communications Committee: Manages the Association's communication vehicles, the "Westsider" Newsletter, club web site - www.wbla.org and the Membership Roster.

Charities: Coordinate projects for Westside charities and the local community. Screen requests for support from charitable organizations on the Westside.

Fund Raising: Organize ways of raising funds needed to support the Club. To help raise funds to enable the Club to assist in community projects.

Government Affairs: Coordinates all contact with Local, State and Federal government organizations. Coordinates the preparation of WBLA positions with regard to Government issues. Hosts WBLA Government Forums.
